PREMIUM SOUND

Simplicity and Versatility

Elac Connex is a high-performance wireless speaker system designed for ultimate convenience and superior sound quality. The Debut ConneX DCB61 powered bookshelf speakers make it effortless to enjoy a premium audio experience for both movies and music. Featuring Dolby Digital support, these speakers deliver immersive, cinema-quality sound. With a versatile array of inputs—including HDMI ARC, Analog/Phono, Optical, USB, and Bluetooth—alongside meticulously engineered drivers and amplifiers, the DCB61 guarantees an exceptional listening experience that surpasses expectations.

ELAC FEATURES

ConneX

Premium Sound • Simply Connected

● **Dolby Digital** – The DCB61 features integrated Dolby Digital decoding, ensuring seamless TV connectivity while delivering authentic 2.1-channel audio for a truly immersive experience.

● **Rear Firing Ports** – The DCB61 utilizes a rear-facing “S”-shaped bass reflex port to enhance low-frequency extension while minimizing ventilation noise, delivering deeper and cleaner bass response.

● **6 1/2” Woofer** – The DCB61 is equipped with a long-excursion 6 1/2” woofer, designed to deliver powerful output with extended bass response. This high-performance woofer enhances low-frequency depth and impact, ensuring rich, dynamic sound with greater clarity and precision, whether you’re listening to music or watching movies.

● **Tweeter and Waveguide** – The DCB61 features a custom-engineered waveguide that enhances dispersion and directivity, ensuring a more precise and balanced high-frequency response.
