YOUR STYLE, YOUR SOUND – DIY COVER SET FOR THE ELEGANT 300 SERIES

Your living space is a reflection of your personality, where colors, textures, and details come together in harmony. With ELAC's Elegant 300 Series, including the BS 312.2 and BS 305, great design doesn't stop at sound, it extends to style.

To enhance this flexibility, ELAC offers a DIY Fabric Cover Set that allows you to personalize your speaker grilles with a fabric of your own choice. Simply select a lightweight, sound-permeable material and create your own insert using the included components. The result: a look that seamlessly integrates with your interior aesthetic.

DIY isn't just a trend, it's a lifestyle rooted in creativity, craftsmanship, and individuality. Whether you prefer understated elegance or a bold statement piece, this set empowers you to make your speakers truly your own, as unique as your home, your taste, and your music. Compatible with all Elegant 300 Series loudspeakers, from the BS 305 to the BS 312, produced over the past 30 years, this DIY solution brings a new layer of personalization to an already iconic design.

Suitable for the **Elegant 300 series** from 305 to 312 of the **last 30 years**.

Note: The DIY Cover Set does not include the required aluminum frames. Two frames from the standard Elegant accessory grille set are needed for assembly.
