MUSIC IN MOTION

● **NAVA "Music in Motion"** – NAVA is built for the way you live - spontaneous, social, and always on the move. Whether it's a morning by the water, a weekend ride, or an evening with friends, NAVA travels effortlessly between moments. Its compact form, long battery life, and refined design make it the perfect companion for wherever sound belongs. With NAVA, music isn't confined, it moves with you.

● **Built to move you** – Compact yet confident. NAVA fits comfortably in your hand, ready to move wherever the moment takes you. Designed to be powerful, portable, and beautifully simple.

● **Dynamic and Balanced** – Engineered for rich, full-bodied performance, the NAVA100 features a 3-inch full-range driver paired with dual passive radiators to deliver bass that feels deep and effortless.

● Two Editions Available

- Classic ELAC Black – timeless and premium.
- Adsum x ELAC Cream Edition – an exclusive co-branded design for collectors and style-conscious listeners.

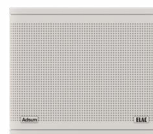

● **Crafted Simplicity** – Thoughtful in every detail — From the materials to the interface, each detail is engineered to elevate the experience while remaining beautifully understated.

● **Dual Play** – Experience true wireless stereo with ELAC NAVA's Dual Play technology. Pair two NAVA100 speakers together to create a spacious, balanced soundstage that brings your music to life. One speaker automatically becomes the left channel and the other the right, delivering rich, room-filling audio without cables or setup hassles. Whether indoors or outdoors, Dual Play transforms any space into an immersive listening experience.

● **Precision Aluminum Construction** – Durable, refined, and built to move with you. From the top and bottom plates to the grille, controls, and rear panel, NAVA's exterior is crafted entirely from pressed aluminum. Cool to the touch and perfectly balanced, it feels solid in your hand, like a precision instrument. This isn't plastic pretending to be metal, it's the real thing.
